

TASC Legal and Social Justice Services is here to provide you with free legal advice and advocacy services when you need it most.

You can contact us by calling (07) 4616 9700. When calling, you will be greeted by our reception staff who will ask you which TASC service you wish to access and for your name and contact details.

Once you have provided your contact details, one of our friendly Intake Officers will contact you within a few days to discuss your issue further and to determine if you are eligible for our service. To determine your eligibility, our intake officers will ask you a series of standard questions. This process will only take 10 to 15 minutes and then afterwards, if you are eligible, they will book you in to speak with a TASC solicitor, advocate or social worker.

Appointments can be facilitated:

- in person,
- over the phone or
- · via an online video conference.

For service providers wishing to refer a client to us, please call us and we will discuss the next steps with you.
